This M60A3 provides a reminder of the heroic acts of our local service men and women.

Flags fly proudly in the breeze, welcoming you to the Veteran's Memorial Garden.

A Cobra Helicopter adorns the yard of the Memorial Garden.

We thank you sincerely for your donation to the continued efforts to keep the memorial garden a wonderful tribute to our armed service men and women.

Donate today for the future of the Veteran's Memorial Garden

Donations and grants made the Veteran's Memorial Garden a reality in 1998. Donations and grants will fund the necessary improvements.

Monies are being raised for a new base for the eternal flame at the Veteran's Memorial Park in Melland Park. The base is deteriorating and will need replacing. In its place, we envision a better scaled base to feature the flame, possibly a granite stone or other long lasting material. Walkways, parking and room for more Veteran stones are also needed.

Please consider donating to help us keep this wonderful tribute to our armed forces alive and looking beautiful for the many people that visit each year.

Any amount will be deeply appreciated. If a donor wants, donations may be given in memory of, or in honor of, a certain veteran or an individual.

You may submit your donation today or mail to City of Fosston, Post Office Box 239. If you have questions you may call Cassie at 218-435-1959

The walkways that are filling up with veteran's stones will need to be expanded to accommodate the continued orders of stones.

Detach and return this portion please.
