2020 Elections

All registered voters in the City of Fosston should have received a mailing from Polk County Elections office in June with an absentee ballot application enclosed.

The City of Fosston will still hold the general elections at the polling place located at the Embassy Community Center, 603 3rd St NE.

You, as voters, are being offered an absentee ballot application for the general election in an effort to reduce community spread of COVID-19 by limiting the number of people showing up at the polls on election day.

Both options are still available for Fosston registered voters: Vote via absentee ballot or vote in person at the polling place.

The general election is **Tuesday, November 3rd** with polls open in Fosston at 7am and closing at 8pm.

Visit the Secretary of State site for online absentee voting application and more information related to voting. <https://www.sos.state.mn.us/election-administration-campaigns/election-administration/absenteemail-ballot-instructions/>

The option for voting absentee is available for both elections. Please call City Hall with any questions. 218-435-1959. Thank you.

1-888-778-4008.

PO Box 189, Oklee, MN 56742

Energy Saving Tip of the Month:

Change or clean filters in heating and cooling equipment.
During peak times, change or clean filters monthly.

A Pharmaceutical receptacle

from the Polk County Sheriff's is located at City Hall. Residents may drop off their old, unwanted, unused prescriptions (with the exception of liquids) at City Hall in the receptacle.

Officers of the Polk County Sheriff's office will check the receptacle and properly dispose of the drugs left.
